SUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The subject matter of the above-identified patent application has been the subject of previous litigations between the Patentee and two other parties; Polder, Inc. ("Polder") and Taylor Precision Products, LLC ("Taylor"). All of the patent litigations were filed in the United States District Court of New Jersey. Copies of possibly pertinent documents for each litigation are attached hereto and identified in the attached PTO 1449 form. A synopsis of each litigation is also provided below.

The Patentee filed a patent infringement action against Polder in May 2003 as part of dispute between the parties that also included a non-patent civil action filed by Polder in the Southern District of the New York in April 2003. The patent-in-suit was U.S. Patent 6,568,848 ("the '848 patent"). Copies of the Complaint and Stipulation and Order of

Dismissal in the May 2003 patent litigation is enclosed herewith and identified on the 1449 form. Copies of the Complaint, Answer, discovery requests and responses exchanged between the parties, and Stipulation and Order of Dismissal in the April 2003 action is enclosed herewith and identified on the 1449 form.

The Patentee filed a patent infringement action against Taylor in December 2003 based on the '848 patent. Copies of the Complaint, Answer/Counterclaim, Reply and Order of Dismissal in the December 2003 action is enclosed herewith and identified on the 1449 form.

The Patentee also filed a second patent infringement action against Taylor in August 2005 based on the '848 patent. Copies of the Complaint, Answer/Counterclaim, Reply and Order of Dismissal in the August 2005 action is enclosed herewith and identified on the 1449 form.

It is respectfully requested that the documents listed on the enclosed forms be made of record and considered with respect to the above-referenced application. Submission of the present Information Disclosure Statement should not be taken as an admission that the documents are legally available prior art or that the same are pertinent or material.

Dated: July 12, 2006

Respectfully submitted,

By
